

Project: ZSFG Building 5 Seismic Upgrade and Renovation

Bid Packages for Project 1 (Seismic Upgrade), Project 2 (Dialysis Relocation);
and Project 3 (Public Health Laboratory)

Available Bid Packages: Bidders must submit pricing for complete bid package. Pricing to be broken down by Project and in some cases by Scope within projects (See Notes below and Bid Form). Only bidders/subcontractors that have been previously pre-qualified for that scope can submit a bid. Bidders may elect to bid multiple Packages so long as they have been prequalified for each bid package for which they are submitting bids. Bid packages will be considered independently.
