

**SECTION 00 43 50**  
**(Caltrans Exhibit 12-B Part I)**

**PROPOSED SUBCONTRACTORS FORM**

Bidder shall provide the requested information for each subcontractor who shall perform in excess of 1/2 of 1% of the Total Bid Price. If this project involves the construction of streets, highways, or bridges, Bidder shall provide the information for each subcontractor who shall perform in excess of 1/2 of 1% of the Total Bid Price or \$10,000, whichever is greater. Under San Francisco Administrative Code section 6.21A(9) and California Public Contract Code section 4104, failure to provide at a minimum the name, location of the place of business, contractor's license number and the portion of work to be performed by each such subcontractor may render the bid nonresponsive or the Bidder unqualified to perform the work under this Contract. Bidders may provide license numbers or additional identifying information within 24 hours of the time bids are received. Where the City cannot identify a subcontractor with the information provided by a Bidder or where conflicting information is provided, the City may consider the subcontractor unlisted for purposes of Public Contract Code section 4106.

**Important Notice:** No subcontractor may be listed in a bid for a public works project unless registered with the California Department of Industrial Relations ("DIR") pursuant to Labor Code § 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code § 1771.1(a)]. An inadvertent listing of a subcontractor who is not registered under § 1725.5 will not be grounds for a bid protest or for determining a bid nonresponsive if the conditions set forth in Labor Code § 1771.1(c)(1) or (2) are met.

In accordance with the Federal requirements on Form 1273, Section VI (Refer to Section 00 52 00, Appendix A), the **Contractor shall perform not less than 30 percent of the original contract work with the Contractor's own organization.** Per Title 49, Section 26.11, of the Code of Federal Regulations, Bidder shall list all subcontractors (both DBE and Non-DBE) and indicate the annual gross receipts per the form.

**SECTION 00 43 50  
(Caltrans Exhibit 12-B Part I)**

**PROPOSED SUBCONTRACTORS FORM**

Bidder shall provide the requested information for each subcontractor who shall perform in excess of 1/2 of 1% of the Total Bid Price. If this project involves the construction of streets, highways, or bridges, Bidder shall provide the information for each subcontractor who shall perform in excess of 1/2 of 1% of the Total Bid Price or \$10,000, whichever is greater. Under San Francisco Administrative Code section 6.21A(9) and California Public Contract Code section 4104, failure to provide at a minimum the name, location of the place of business, contractor's license number and the portion of work to be performed by each such subcontractor may render the bid nonresponsive or the Bidder unqualified to perform the work under this Contract. Bidders may provide license numbers or additional identifying information within 24 hours of the time bids are received. Where the City cannot identify a subcontractor with the information provided by a Bidder or where conflicting information is provided, the City may consider the subcontractor unlisted for purposes of Public Contract Code section 4106.

**Important Notice:** No subcontractor may be listed in a bid for a public works project unless registered with the California Department of Industrial Relations ("DIR") pursuant to Labor Code § 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code § 1771.1(a)]. An inadvertent listing of a subcontractor who is not registered under § 1725.5 will not be grounds for a bid protest or for determining a bid nonresponsive if the conditions set forth in Labor Code § 1771.1(c)(1) or (2) are met.

In accordance with the Federal requirements on Form 1273, Section VI (Refer to Section 00 52 00, Appendix A), the **Contractor shall perform not less than 30 percent of the original contract work with the Contractor's own organization.** Per Title 49, Section 26.11, of the Code of Federal Regulations, Bidder shall list all subcontractors (both DBE and Non-DBE) and indicate the annual gross receipts per the form.

**A. BIDDER'S PORTION OF WORK**

1. NAME OF PRIME CONTRACTOR OR MAJORITY JOINT VENTURE PARTNER: <b>McGuire and Hester</b>		
2. BID ITEMS/PORTION OF WORK TO BE SELF-PERFORMED (IF LESS THAN 100% OF THE CONTRACT WORK): <b>G-01 to G-13 (P), CS-01 to CS-06 (P), R-02 to R-25 (P), L-01 to L-20, L-21 (P), L-22, L-25 to L-26, SW-30, SW-31, AW-1 to AW-23 (P)</b>		
3. DOLLAR AMOUNT OF WORK TO BE SELF-PERFORMED: <b>\$ 22,155,000</b>	4. PERCENTAGE OF WORK TO BE SELF-PERFORMED: <b>47 %</b>	5. DATE: <b>09/20/23</b>

**SECTION 00 43 50  
(Caltrans Exhibit 12-B Part I)**

**PROPOSED SUBCONTRACTORS FORM**

Bidder shall provide the requested information for each subcontractor who shall perform in excess of 1/2 of 1% of the Total Bid Price. If this project involves the construction of streets, highways, or bridges, Bidder shall provide the information for each subcontractor who shall perform in excess of 1/2 of 1% of the Total Bid Price or \$10,000, whichever is greater. Under San Francisco Administrative Code section 6.21A(9) and California Public Contract Code section 4104, failure to provide at a minimum the name, location of the place of business, contractor's license number and the portion of work to be performed by each such subcontractor may render the bid nonresponsive or the Bidder unqualified to perform the work under this Contract. Bidders may provide license numbers or additional identifying information within 24 hours of the time bids are received. Where the City cannot identify a subcontractor with the information provided by a Bidder or where conflicting information is provided, the City may consider the subcontractor unlisted for purposes of Public Contract Code section 4106.

**Important Notice: No subcontractor may be listed in a bid for a public works project unless registered with the California Department of Industrial Relations ("DIR") pursuant to Labor Code § 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code § 1771.1(a)]. An inadvertent listing of a subcontractor who is not registered under § 1725.5 will not be grounds for a bid protest or for determining a bid nonresponsive if the conditions set forth in Labor Code § 1771.1(c)(1) or (2) are met.**

In accordance with the Federal requirements on Form 1273, Section VI (Refer to Section 00 52 00, Appendix A), the **Contractor shall perform not less than 30 percent of the original contract work with the Contractor's own organization.** Per Title 49, Section 26.11, of the Code of Federal Regulations, Bidder shall list all subcontractors (both DBE and Non-DBE) and indicate the annual gross receipts per the form.

**SECTION 00 43 50**  
**(Caltrans Exhibit 12-B Part I)**

**PROPOSED SUBCONTRACTORS FORM**

Bidder shall provide the requested information for each subcontractor who shall perform in excess of 1/2 of 1% of the Total Bid Price. If this project involves the construction of streets, highways, or bridges, Bidder shall provide the information for each subcontractor who shall perform in excess of 1/2 of 1% of the Total Bid Price or \$10,000, whichever is greater. Under San Francisco Administrative Code section 6.21A(9) and California Public Contract Code section 4104, failure to provide at a minimum the name, location of the place of business, contractor's license number and the portion of work to be performed by each such subcontractor may render the bid nonresponsive or the Bidder unqualified to perform the work under this Contract. Bidders may provide license numbers or additional identifying information within 24 hours of the time bids are received. Where the City cannot identify a subcontractor with the information provided by a Bidder or where conflicting information is provided, the City may consider the subcontractor unlisted for purposes of Public Contract Code section 4106.

**Important Notice:** No subcontractor may be listed in a bid for a public works project unless registered with the California Department of Industrial Relations ("DIR") pursuant to Labor Code § 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code § 1771.1(a)]. An inadvertent listing of a subcontractor who is not registered under § 1725.5 will not be grounds for a bid protest or for determining a bid nonresponsive if the conditions set forth in Labor Code § 1771.1(c)(1) or (2) are met.

In accordance with the Federal requirements on Form 1273, Section VI (Refer to Section 00 52 00, Appendix A), the Contractor shall perform not less than 30 percent of the original contract work with the Contractor's own organization. Per Title 49, Section 26.11, of the Code of Federal Regulations, Bidder shall list all subcontractors (both DBE and Non-DBE) and indicate the annual gross receipts per the form.

**A. BIDDER'S PORTION OF WORK**

1. NAME OF PRIME CONTRACTOR OR MAJORITY JOINT VENTURE PARTNER: <i>Mitchell Engineering</i>		
2. BID ITEMS/PORTION OF WORK TO BE SELF-PERFORMED (IF LESS THAN 100% OF THE CONTRACT WORK): <i>Sewer, Construction Streetscape</i>		
3. DOLLAR AMOUNT OF WORK TO BE SELF-PERFORMED: \$ <i>15,000,000</i>	4. PERCENTAGE OF WORK TO BE SELF-PERFORMED: <i>42</i> %	5. DATE: <i>9/20/2023</i>
By signing the Bid Form, Contractor hereby certifies that it will perform not less than 30% of the Contract Work with its own forces.

**SECTION 00 43 50  
(Caltrans Exhibit 12-B Part I)**

**PROPOSED SUBCONTRACTORS FORM**

Bidder shall provide the requested information for each subcontractor who shall perform in excess of 1/2 of 1% of the Total Bid Price. If this project involves the construction of streets, highways, or bridges, Bidder shall provide the information for each subcontractor who shall perform in excess of 1/2 of 1% of the Total Bid Price or \$10,000, whichever is greater. Under San Francisco Administrative Code section 6.21A(9) and California Public Contract Code section 4104, failure to provide at a minimum the name, location of the place of business, contractor's license number and the portion of work to be performed by each such subcontractor may render the bid nonresponsive or the Bidder unqualified to perform the work under this Contract. Bidders may provide license numbers or additional identifying information within 24 hours of the time bids are received. Where the City cannot identify a subcontractor with the information provided by a Bidder or where conflicting information is provided, the City may consider the subcontractor unlisted for purposes of Public Contract Code section 4106.

**Important Notice:** No subcontractor may be listed in a bid for a public works project unless registered with the California Department of Industrial Relations ("DIR") pursuant to Labor Code § 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code § 1771.1(a)]. An inadvertent listing of a subcontractor who is not registered under § 1725.5 will not be grounds for a bid protest or for determining a bid nonresponsive if the conditions set forth in Labor Code § 1771.1(c)(1) or (2) are met.

In accordance with the Federal requirements on Form 1273, Section VI (Refer to Section 00 52 00, Appendix A), the **Contractor shall perform not less than 30 percent of the original contract work with the Contractor's own organization.** Per Title 49, Section 26.11, of the Code of Federal Regulations, Bidder shall list all subcontractors (both DBE and Non-DBE) and indicate the annual gross receipts per the form.
