SAN FRANCISCO LOCAL HIRING POLICY FOR CONSTRUCTION FACT SHEET

OVERVIEW

- Applies to contracts for public work or improvement projects in excess of \$1,000,000.
- The mandatory participation level is 30% of all project hours within each trade to be performed by local residents.
- At least 50% of the project work hours performed by apprentices within each trade shall be performed by local residents.
- A local resident is defined as an individual who is domiciled within the City and County of San Francisco at least 7 days prior to commencing work on the project. An individual may have only one domicile, which is their principal residence and where they intend to return when they are absent.

GUIDELINES

- **Form 1: Local Hiring Plan:** Must be submitted to CityBuild within 15 days from Notice of Award. Contractors are required to identify trade(s) and estimated total and local work hours to be utilized on the project.
Pursuant to Chapter 82 of the San Francisco Administrative Code, all local hire forms must be submitted PRIOR to the Awarding Department issuing a Notice to Proceed (NTP).
- **City's Electronic Certified Payroll System:** All contractors will be required to submit certified payroll for all workers through the City's Electronic Certified Payroll System. An account is required to access the system.
- **Evaluation:** Compliance of the Policy requirements will be evaluated on the actual work hours reported through the City's Electronic Certified Payroll System.

PENALTIES

- The ordinance establishes various consequences of non-compliance with the policy, including the authority of assessment of penalties against contractors that do not meet the local hiring requirements.
- The penalty for failing to meet the local hiring requirement shall be the amount equal to the journeyman or apprentice prevailing wage rate for the primary trade used by the contractor for each hour the contractor fell short.
- Contractors may request a conditional waiver from local hiring requirements on a project-specific basis for "specialized trades," by receiving credit for local hiring on non-covered projects, sponsoring new apprentices, or making "direct-entry" hires.

1 South Van Ness Avenue
Elevator Modernization

Temporary Facilities and Controls

Spec. § 01 50 00

Work Hours: 7:00am to 5:00pm Monday – Friday

Check-in Process:

- All contractors will need to report to the Building Manager or Engineer every morning.
- Sign in/out using the binder provided by contractor
- Foreman will check out with the chief engineer to give a status report for the day's activities

Noise Control and Mitigation:

The building will be occupied during construction. To minimize construction noise and vibration impact, all high noise and vibration construction activities occurring on a business day such as demolition, hammering, saw cutting, and drilling shall be done outside of business hours (8:00AM to 6:00PM) in the early morning before 8:00AM and coordinated with the Building Manager or Building Engineer prior to work.

1 South Van Ness Avenue
Elevator Modernization

Temporary Facilities and Controls

Spec. § 01 50 00

Construction Sequencing

Contractor must complete the modernization work of each passenger elevator individually and in sequential order. No more than one passenger elevator shall be out of service at any given time during construction. The Contractor must start the work on one passenger elevator, complete all modernization scope that pertains to that elevator, secure inspection and approval from approving agencies, return the elevator back to public service, and obtain approval from City Representative prior to starting work on the other passenger elevator. When Contractor foresees the need to turn off more than one elevator concurrently, this must be properly communicated with the City Representative in advance.

- The work on both passenger elevators must be completed first before the work on the freight elevator may begin.

Construction Rules and Regulations

Refer to Section 01 50 00C for rules and regulations pertaining to construction in at 1 South Van Ness Avenue.

1 South Van Ness Avenue
Elevator Modernization

Pre-Construction Submittals

Spec. § 01 33 00

Within 14 calendar days of the Notice to Proceed:

- Construction Schedule
- Submittal Schedule
- Submittal Registry
- Schedule of Values

Within 60 calendar days of the Notice to Proceed:

- All submittals pertaining to Section 14 21 13 ELECTRIC TRACTION FREIGHT ELEVATOR and Section 14 21 23 ELECTRIC TRACTION PASSENGER ELEVATOR
- Fire Alarm Permit
- Fire Sprinkler Permit

Refer to the Project Manual for all other required submittals.

1 South Van Ness Avenue
Elevator Modernization

Material Reduction and Recovery Plan

Spec. § 01 74 50

Contractor shall submit MRRP, monthly summaries, supporting documentation and final report in electronic format (Green Halo Systems Platform): <http://sfgov.wastetracking.com/>

Green Halo Tracking Number:

GH590-947-6746

1 South Van Ness Avenue
