December 09, 2024

This Addendum No. 1 is issued to provide responses to questions received regarding the Request for Qualifications (RFQ) under Sourcing Event ID 000009659.

Please acknowledge receipt of this Addendum by completing the “Acknowledgement of Receipt of Addenda” form included as Appendix C, Contract Forms, in the original RFQ documents.

CHANGES TO THE RFQ:

No changes have been made to the RFQ at this time.

QUESTIONS AND ANSWERS:

(Questions were paraphrased for clarity.)

Q7:	There seems to be some uncertainty regarding escalation of fees, services and prices over the term of the contract. Table B1 (labor fee rates) states that the labor types included are subject to non-escalation; however, the RFQ/contract is silent as it relates to lab rates and other third-party services (ie drillers, etc.). Please clarify as we're getting quite a bit of pushback.
A7:	<i>Cost proposal for analytical and drilling services are to be provided on a project-to-project basis. Also, please see RFQ, Section 3, 3.2 regarding prevailing wages.</i>
