Scope of Work: The Chinatown Public Health Center is a vital healthcare hub serving the Chinatown neighborhood, and this project involves the first comprehensive renovation of this essential facility since it was built in 1969. Operated by the San Francisco Department of Public Health, the 30,000-square-foot, three-story facility built over the east entrance to the Broadway Tunnel, offers a wide range of services including dental care, primary care, behavioral health, and child development. This renovation will include full seismic upgrades and major interior demolition to transform the building into a state-of-the-art health facility. Structural improvements—such as new braced frames, modified pile caps, extended grade beams, and reinforced moment connections—will necessitate traffic controls and phased roadway closures. Site upgrades will feature sidewalk improvements, roadway repaving, and utility trenching, including installation of new electrical service. Exterior enhancements include re-roofing, new metal panel finishes, high-performance fenestration replacements, vertical sunshades with maintenance access, and integrated artwork. Interior reconfigurations and comprehensive systems upgrades will improve operational efficiency and overall experience for staff and patients.

The time allowed for completion is 910 consecutive calendar days. The estimated construction cost is approximately \$38,357,086. For more information, contact the Project Manager Youcef Bouhamama by phone: (628) 271-2837 or email: Youcef.Bouhamama@sfdpw.org.

On July 1, 2014, the registration program under section 1725.5 of the California Labor Code went into effect. The program requires that all contractors and subcontractors who bid or work on a public works project register and pay an annual fee to the California Department of Industrial Relations ("DIR").

No contractor or subcontractor may be listed in a bid or awarded a contract for a public works project unless registered with the DIR as required by Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].

This Project shall incorporate the required partnering elements for Partnering Level 4. Refer to Section 01 31 33 for more details.

Pursuant to San Francisco Administrative Code ("Administrative Code") Section 6.25 and Chapter 25 of the Environment Code, "Clean Construction" is required for the performance of all work.

The Specifications include liquidated damages. Contract will be on a Lump Sum Bid Items With Unit Prices basis. Progressive payments will be made.

This project is being bid as Best Value Procurement. The Contract, if awarded, will be awarded to the responsible Bidder whose responsive Bid provides the Best Value to the City. The Best Value Bid to the

City is equivalent to the lowest Best Value Score. The Best Value Score is determined by an evaluation of 1) Bidder's Qualification Points and 2) the Bidder's Cost Bid Basis. The City will divide each Bidder's Cost Bid Basis by its Qualification Points to determine the Bidder's Best Value Score. The lowest Best Value Score will represent the Best Value Bid. The Bid Opening and notification of the Best Value Tabulation will be conducted live online via Microsoft Teams. Contract Administration will email the Microsoft Teams meeting information to all Plan Holders approximately 24 hours prior to Bid opening.

A bid may be rejected if the City determines that any of the bid item prices are materially unbalanced to the potential detriment of the City.

This project has multiple LBE Subcontracting Requirements. The total LBE Subcontracting Requirement is 20% and at least 10% must be subcontracted to LBEs certified by CMD as Micro in size. For details, contact Ivan Oldenkamp by phone at (415) 554-0639 or by email at Ivan.Oldenkamp@sfgov.org. In accordance with Administrative Code Chapter 14B requirements, good faith efforts may apply. Refer to CMD Form 2B.

A corporate surety bond or certified check for ten percent (10%) of the amount bid must accompany each bid. Administrative Code Section 6.22(a) requires all construction greater than \$25,000 to include performance and payment bonds for 100% of the contract award.

Class "B" license is required to bid.

In accordance with Administrative Code Chapter 6, no bid is accepted and no contract in excess of Threshold is awarded by the City and County of San Francisco Department of Public Works until such time as the Mayor approves the contract for award and the Director of Public Works then issues an order of award.

Beginning on September 1, 2022, no Bid is accepted and no contract in excess of the Threshold Amount is awarded by the City and County of San Francisco until such time the Director of Public Works recommends the contract for award and the Public Works Commission then adopts a resolution awarding the Contract.

Pursuant to Charter Section 3.105, all contract awards are subject to certification by the Controller as to the availability of funds.

Minimum wage rates for this project must comply with the current General Prevailing Wage as determined by the State Department of Industrial Relations. Minimum wage rates other than applicable to General Prevailing Wage must comply with Administrative Code Chapter 12P, Minimum Compensation Ordinance. In addition, the San Francisco Citywide Project Labor Agreement (PLA) became effective on July 14, 2020. This Contract is a Covered Project and Bidders are advised that the PLA is incorporated into the contract documents. More information about the PLA can be found at: <https://sfgov.org/olse/citywide-project-labor-agreement>.

This Project is subject to the requirements of the San Francisco Local Hiring Policy for Construction ("Policy") as set forth in Administrative Code Section 6.22(g). Bidders are hereby advised that the requirements of the Policy will be incorporated as a material term of any contract awarded for the Project. Refer to Section 00 73 30 of the Project Manual for more information.

Bidders are hereby advised that the Contractor to whom the Contract is awarded must be certified by the Contract Monitoring Division as being in compliance with the Equal Benefits Provisions of Article 131 of the San Francisco Labor and Employment Code within two weeks after notification of award.

If a bidder objects on any ground to any bid specification or legal requirement imposed by this Advertisement for Bids, the bidder shall, no later than the 10th working day prior to the date of Bid opening, provide written notice to the Contract Administration Division, San Francisco Public Works, setting forth with specificity the grounds for the objection.

Right reserved to reject any or all bids and waive any minor irregularities.
