Notices regarding Addenda and other bid changes will be distributed by email to Plan Holders.

Scope of Work: Pier 80 M&R Building is an existing industrial building located at Pier 80. The building is owned and managed by the Port of San Francisco, with several tenants currently occupying the space. The building is single story, approximately 30 feet tall with a low-sloped gable roof. The existing 40,000 sq. ft. roof is a standing seam metal panel roof with intermediate, inlaid translucent panels acting as skylights. The project involves removal and replacement of the existing metal roofing and translucent panels with new standing seam metal roof panels, flashings, and vented ridge cap. The project will require some hazardous materials abatement.

The time allowed for completion is **150** consecutive calendar days. The estimated construction cost is approximately **\$2,100,000**. For more information, contact the Project Manager Tony Abuyaghi by phone: (628) 271-2876 or email: tony.abuyaghi@sfdpw.org.

On July 1, 2014, the registration program under section 1725.5 of the California Labor Code went into effect. The program requires that all contractors and subcontractors who bid or work on a public works project register and pay an annual fee to the California Department of Industrial Relations ("DIR").

No contractor or subcontractor may be listed in a bid or awarded a contract for a public works project unless registered with the DIR as required by Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].

This Project shall incorporate the required partnering elements for Partnering Level 2. Refer to Section 01 31 33 for more details.

Pursuant to San Francisco Administrative Code ("Administrative Code") Section 6.25 and Chapter 25 of the Environment Code, "Clean Construction" is required for the performance of all work.

The Specifications include liquidated damages. Contract will be on a Lump Sum Bid Items basis. Progressive payments will be made.

The Contract will be awarded to the lowest responsible responsive bidder.

A bid may be rejected if the City determines that any of the bid item prices are materially unbalanced to the potential detriment of the City.

Bid discounts may be applied as per Administrative Code Chapter 14B. LBE Subcontracting Participation Requirement is **20%**. For details, contact Melinda Kanios by phone at (415) 554-0567 or by email at

melinda.kanios@sfgov.org. In accordance with Administrative Code Chapter 14B requirements, good faith efforts may apply. Refer to CMD Form 2B.

A pre-bid meeting will be held on Monday, October 27, 2025 at 10:30 AM at the project site located at Pier 80, 400 Cesar Chavez Street, San Francisco. Public parking is available on the north side of Cesar Chavez Street. We will meet promptly at 10:30 AM at the corner of Cesar Chavez Street and Maryland Street and by the white fire hydrant and the stop sign and then walk a short distance to the project site. Do not enter the Pier 80 Marine Terminal security checkpoint at the end of Cesar Chavez Street.

For information on the City's Contractor Development Program, call (415) 986-3999 or email cdp@imwis.com.

A corporate surety bond or certified check for ten percent (10%) of the amount bid must accompany each bid. Administrative Code Section 6.22(a) requires all construction greater than \$25,000 to include performance and payment bonds for 100% of the contract award.

Class "B" license is required to bid.

In accordance with Administrative Code Chapter 6, no bid is accepted and no contract in excess of Threshold is awarded by the City and County of San Francisco Department of Public Works until such time as the Mayor approves the contract for award and the Director of Public Works then issues an order of award.

Beginning on September 1, 2022, no Bid is accepted and no contract in excess of the Threshold Amount is awarded by the City and County of San Francisco until such time the Director of Public Works recommends the contract for award and the Public Works Commission then adopts a resolution awarding the Contract.

Pursuant to Charter Section 3.105, all contract awards are subject to certification by the Controller as to the availability of funds.

Minimum wage rates for this project must comply with the current General Prevailing Wage as determined by the State Department of Industrial Relations. Minimum wage rates other than applicable to General Prevailing Wage must comply with Administrative Code Chapter 12P, Minimum Compensation Ordinance.

This Project is subject to the requirements of the San Francisco Local Hiring Policy for Construction ("Policy") as set forth in Administrative Code Section 6.22(g). Bidders are hereby advised that the requirements of the Policy will be incorporated as a material term of any contract awarded for the Project. Refer to Section 00 73 30 of the Project Manual for more information.

Bidders are hereby advised that the Contractor to whom the Contract is awarded must be certified by the Contract Monitoring Division as being in compliance with the Equal Benefits Provisions of Article 131 of the San Francisco Labor and Employment Code within two weeks after notification of award.

If a bidder objects on any ground to any bid specification or legal requirement imposed by this Advertisement for Bids, the bidder shall, no later than the 10th working day prior to the date of Bid Opening, provide written notice to the Contract Administration Division, San Francisco Public Works, setting forth with specificity the grounds for the objection.

Right reserved to reject any or all bids and waive any minor irregularities.
