

## ANNOUNCEMENT

### CITY & COUNTY OF SAN FRANCISCO SAN FRANCISCO PUBLIC WORKS

### REQUEST FOR QUALIFICATIONS As-Needed Geotechnical Engineering Services 2026

#### Sourcing Event ID 11175

San Francisco Public Works ("Public Works"), a department of the City and County of San Francisco ("City"), is issuing this Request for Qualifications ("RFQ" or "Solicitation") to solicit proposals from qualified consultants and or joint venture (JV) firms ("Proposers"). Public Works seeks professional services in Geotechnical Engineering, and other related consulting services, on an as-needed basis.

Projects may include a wide range of City-owned facilities, such as civic buildings (office buildings, libraries, cultural centers), public safety facilities (fire and police stations), recreation facilities (recreation centers, clubhouses, pools), healthcare facilities (clinics and acute care interiors), infrastructure projects (pump stations, transportation facilities, EV charging stations), homeless shelters, and correctional facilities.

The LBE Subconsulting Participation Requirement for this Contract is **15%**. Public Works encourages responses from City & County of San Francisco certified Local Business Enterprises (LBEs). For any Contract Monitoring Division (CMD) requests, contact Ivan Oldenkamp at [Ivan.Oldenkamp@sfgov.org](mailto:Ivan.Oldenkamp@sfgov.org).

The City anticipates award up to **four (4) master agreements**, each with a not-to-exceed ("NTE") value of **\$3,000,000** over the five-year term. Public Works reserves the right, consistent with City contracting requirements, to adjust the number of contracts.

Since this is an "As-Needed" contract, award of a master agreement does not guarantee that the selected firms will perform all or any portion of the services described in this RFQ, nor does it guarantee that the maximum amount will be expended. The maximum contract dollar amount does not represent a guaranteed revenue source for any of the selected firms.

A pre-proposal conference will not be conducted for this project.

Questions regarding the RFQ must be submitted no later than **4:00 P.M.** Pacific Time on **Wednesday, January 21, 2026** by email to the Contract Administrator, Don Sy at: [ContractAdmin.Staff@sfdpw.org](mailto:ContractAdmin.Staff@sfdpw.org).

Proposers shall log in and upload complete proposals into the SF City Partner Website, <https://sfcitypartner.sfgov.org/> no later than **2:00:00 P.M.** Pacific Time on **Wednesday, February 18, 2026**. Consultants shall submit Proposals as specified and required in the RFQ. Late submittals will not be considered.

Additional Information and Digital files of the RFQ Package may be downloaded at no cost through the SF City Partner Website at <https://sfcitypartner.sfgov.org/>. Notices regarding Addenda and other RFQ changes will also be posted on SF City Partner Website.

Consultants with billing classifications subject to prevailing wages on public works projects may not be awarded a contract unless such Consultants are registered with the Department of Industrial Relations (DIR) at the time of award. Please visit the DIR website for more information: <http://www.dir.ca.gov/Public-Works/PublicWorks.html>.
