

**SECTION 00 43 36**  
(CMD FORM 2A)

**PROPOSED SUBCONTRACTORS FORM: MICRO-LBE**

Bidder shall submit at task order a subcontractor list using the form below. Bidder shall identify each subcontractor<sup>1</sup> who will perform work in an amount in excess of one-half of one percent of the Maximum Contract Value. If this project involves the construction of streets, highways, or bridges, Bidder shall submit at task order a subcontractor list, using the form below, identifying each subcontractor who will perform work in excess of one-half of one percent of the Maximum Contract Value, or \$10,000, whichever is greater.

**Important Notice:** No subcontractor may be listed in a bid for a public works project unless registered with the California Department of Industrial Relations ("DIR") pursuant to Labor Code § 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code § 1771.1(a)]. An inadvertent listing of a subcontractor who is not registered under § 1725.5 will not be grounds for a bid protest or for determining a bid nonresponsive if the conditions set forth in Labor Code § 1771.1(c)(1) or (2) are met.

At a minimum, Bidder must provide the following information with its Task Order Proposal for each listed subcontractor: (i) name and email [Box 2]; (ii) location of the place of business [Box 3]; (iii) portion of work that will be performed by the subcontractor [Box 4] and (iv) the current valid subcontractors license [Box 8]. In addition, for items or portions of work not fully subcontracted, e.g., indicated as "partial," Bidder must provide the amount of subcontract work [Box 10] with its Task Order Proposal.

If the City cannot identify the intended subcontractor or portion of work based on the information provided by Bidder, or where Bidder provides conflicting information, the City may consider the subcontractor or portion of work unlisted for purposes of Public Contract Code § 4106. An "unlisted" determination may render a Bid non-responsive if the technical specifications require that the work in question be performed by a subcontractor. In addition, an "unlisted" determination may render a Bidder not responsible if Bidder is not qualified to self-perform the work in question.

**This is a Micro-LBE Set-Aside Contract.** Bid discounts and LBE Subcontracting Participation Requirements are **not** applicable to this contract.

The certified Micro-LBE prime Contractor must self-perform **at least 25%** of the Contract Work.

Micro-LBE Prime Contractors that subcontract any portion of a Micro-LBE Set-Aside Contract should subcontract to businesses certified as Micro-LBEs to the maximum extent possible. Micro-LBE subcontractors performing any portion of a Micro-LBE Set-Aside Contract must serve a commercially useful function based on the Contract's scope of work.
